

Professional Development

Educators receive lessons and tools to use with their students with all our PD!

Let STEM Fuse help you take your students to the next level by providing educators the tools they need to be highly successful! Our PD team are educators themselves and understand the demands that today's educators have on their time and energy.

Using Esports to Enhance your Business Pathway

Option 1: 3 hour virtual or *in person
\$2500 per session

Option 2: Full day in person session includes training on hardware and software
\$5500 per session + travel exp

Esports is a very popular industry today! Business and Multimedia teachers will learn how to teach students about the vast amount of careers that are available in this industry. Some of the careers focused on will be:

- Digital Media Design
- Streaming & Shoutcasting
- Video & Audio Production
- Business Development and Marketing
- Event Management

HARDWARE: Any computer, laptop, tablet, (esports equipment optional)

**Educators will receive lessons and tools to use with their students and will even learn how to set up an esports event in their school!*
